REDEFINING ORAL HEALTH

SUPPLIER OF DENTAL EQUIPMENTS, INSTRUMENTS & CONSUMABLES

Dear Doctor,

Greetings from ORALHEALTH CART!!!

Welcome to the future of dental care—where technology meets expertise and quality is never compromised. We are a leading **New Delhi-based Dental Tech B2B E-Commerce Company** dedicated to serving dental practitioners across India with an extensive range (with more than **6000 products** listed on our platform **www.ORALHEALTHCART.COM**) of dental equipment, instruments, and consumables. Our mission is to empower your practice with top-tier products that enhance patient care and streamline procedures.

Partnering with renowned brands like **3M, DENTSPLY Sirona, Orikam, Zhermack, Septodont, GC, Dental Avenue, Neelkanth, GDC, Confident, IVOCAR, MANI, COLTENE, and MORITA**, and many others we offer you a comprehensive portfolio that represents the pinnacle of innovation and reliability in the dental industry. Whether you're in the market for state-of-the-art dental chairs, cutting-edge RVG systems, or precision intraoral scanners, we have you covered with top-quality solutions designed to meet your specific needs.

At our core, we understand the importance of affordability without sacrificing performance. That's why we pride ourselves on providing competitive rates matched with fast delivery services. Our commitment to service excellence means you can count on us to stock your clinic with the latest technology and essential tools—ensuring you're always ready to provide that unmatched care your patients deserve.

Experience seamless integration of advanced dental technologies into your practice with our tailored solutions. Trust us to help you elevate your professional capabilities while reinforcing your reputation as a leading dental provider in the community. Join hands with us and witness the transformative impact of quality dental equipment and exceptional service!

Choose us today and invest in a future where your practice thrives, your patients smile brighter, and your professional potential reaches new heights. For inquiries and more information regarding our products and services, contact us and let's begin this journey together.

Together, let's create dental experiences that resonate health, care, and excellence.

We are pleased to offer you our best quote on your desired requirement.

REDEFINING ORAL HEALTH

SUPPLIER OF DENTAL EQUIPMENTS, INSTRUMENTS & CONSUMABLES

These are the five steps to be followed in setting up a Dental Clinic;

OHC will provide the following services complementary along with their Clinical Setup Packages.

Step No.	Activity/ Stage	OHC's Contribution	Dentist's Contribution	Remarks/Warranty
1	Finding a Place for Dental Clinic	OHC can guide you as to what all things to look out for before finalising the right place.	You have to get in touch with Local Real Estate Agents to finalise the Right Place	
2	Layout Design	OHC will provide a detailed layout design for your clinic (Operating Area, Consultation area, Visitor Lounge, etc.)	You will have to provide photos and measurements of the place.	This will save both Time and Money as you would not have to visit multiple architects and pay a hefty consultation cost. OHC will directly connect you with our architecture team for a smooth completion of the layout.
3	Electrical & Plumbing Work	OHC technician will visit your clinic and coordinate with your plumber and electrician to fix inlet/outlet and electrical connections.	You have to hire electrician/plumber and get work done	OHC will provide technical consultation and a checklist for the same. As we have setup more than 150 clinics across India, this will save you a lot of Time and Effort .
4	Interior of the Clinic	OHC can help with cost estimation, low & minimum cost interiors	You have to pay for actual interiors and get work done	OHC will provide consultation.
5(a)	Installation	OHC technician will visit your place on the day of delivery of the shipment for installation of all the dental chair and materials provided. OHC Technician will also give you a demo for the same.	You don't have to do anything here.	
5(b)	Warranty	The dental chair is covered under 18 months warranty by OHC. During this period, faulty parts, if any, will be replaced by OHC and service will be provided within 24 hours. OHC will also provide 'No Cost Technician Visits' as in visiting charges of the technician will also be paid by the company.	NIL	Manufacturer warranty

Hi, i am Dr.shelma from kerala..When i was planning to start a dental clinic n was searching for the dental chair n other instruments...like sayings, right thing will happen at the right time, I met oral health cart on Instagram.. I saw their clinical set up packages n I thought it will be good if I purchahse a package than individual purchase of each item...so I called them n asked about the package...n still I had some trust issues as I just know them through the insta ad...but it's proven that all my thoughts were unnecessary....n I got my clinical set up within 10 days..I ordered 2,98000 package n worth it...I liked the chair..I got the exact color I chose...n all the instruments are the same brand as per the package....n I liked it...n the thing is I need not wandered for the instruments n chair as it will cost my time and money as well..and also the OHC management n staff are very very responsible and anytime available on call.

They had sent the fotos of all equipments bfr package..n they arranged the person for installation of the chair n all.. anyway...I suggest OHC for new dental practitioners those who planning for new clinic...I am very happy n grateful for their service...
